Dear Sirs

I am a Ravalli County Tax
Payer & Full Time Resident (628
Wise's way, Corvallis, Mont). I opp
ose The expansion, Do we
really need TO COMPARE WITH
Missoula air port & try to appease
The Chosen Few who will use
& benefit by This expansion
I moved here (2008) to get away -
From Big City, Big County, noise,
expansion & moneyed folks
whiches. No matter what any-
one says (Such as no cost to
tax payer) This is Federal money
(our Tax dollar collected from
us) so yes we are paying out
so chosen moneyed few can
get their way. I use Missoula
air port for travel & I see
helicopters are used for
medical cases. IF we really
want to do something for
a larger amount of county
residents how about a multi-
plex area at Fairground or
something in that order

at present we are trying
to put aside Land For
The next generation &
Living it Natural & so
what do you want a
high class resort here or
a good old home town?
