**Subject:** [EXTERNAL] North of Stevensville - North, utility work update

Hello Stevensville Neighbors,

The Montana Department of Transportation (MDT) is continuing progress on the North of Stevensville – North, Eastside Highway project.

Utility work continues and tree clearing will occur in the coming weeks to accommodate utility relocation. These activities will occur on the roadside, and no traffic impacts are expected.

Crews will also be present to re-stake the new right-of-way. Stakes are added to delineate the right-of-way for upcoming construction. The right-of-way and the stakes used to mark it are the property of the Montana Department of Transportation. Removing or tampering with MDT right-of-way stakes is illegal. Please do not move or tamper with right-of-way stakes. Re-staking these areas can be costly.

The project will reconstruct approximately 5.8 miles of roadway between Wildfowl Lane and Hidden Valley Road, just north of Stevensville. Safety upgrades will include new roadside slopes, drainage improvements, a large-radius curve at Rathbun Lane, and a four-legged roundabout at Ambrose Creek Road.

More details will be shared as construction approaches in fall 2026. In the meantime, community members can monitor statewide travel conditions and project impacts using MDT's 511 map: <https://www.511mt.net>

If you have questions or concerns, call the hotline at 406-207-4484, operating during business hours. To learn more about the project, visit [mdt.mt.gov/pubinvolve/northstevi/](https://mdt.mt.gov/pubinvolve/northstevi/).

Thank you,  
Becca MacLean on behalf of MDT

Anyone needing an alternative format of this document should contact MDT's ADA Coordinator at [mmaze@mt.gov](mailto:mmaze@mt.gov), 406-444-5416 or Montana Relay Service at 711.
