Dear Mr. Greef;

We wish to thank you for your recent application to the Ravalli County Economic Development Authority Board (RCEDA). However, we have chosen to re-appoint Ryan Oster and Scott Henderson to the Board at this time.

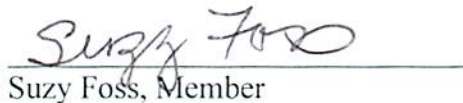

Because of your business experience and position as a state Representative, we would like to keep your application on file for any future RCEDA board openings and will contact you to see if you are still interested.

Sincerely,  
BOARD OF RAVALLI COUNTY COMMISSIONERS
