Sent: Monday, September 8, 2014 8:26 AM
To: MACO
Subject: MACO representative for DWSRF advisory committee

Commissioners,

Section 75-6-231 MCA establishes an Advisory Committee for the Drinking Water State Revolving Fund. Statute specifically requires one member from the Montana Association of Counties. Currently Suzy Foss, Ravalli County Commissioner, represents MACo on the SRF Committee. Commissioner Foss will leave office at the end of the year so DEQ has asked MACo to find a commissioner willing to serve on this committee. The committee generally meets once/year in June so it is not a huge time commitment.

The SRS Program has assisted with financing Drinking Water Projects in nearly every county in Montana and is a program that directly benefits your communities to provide clean, safe drinking water.

Drinking Water State Revolving Fund Advisory Committee

The Drinking Water State Revolving Fund (DWSRF) Advisory Committee consists of one member from the Montana League of Cities and Towns, one member from the Montana Association of Counties, one member from the Department of Natural Resources and Conservation, one member from the Department of Environmental Quality, two members from the Joint Legislative Subcommittee on Natural Resources with one being from the House of Representatives and one from the Senate and they may not represent the same political party. The DWSRF Advisory Committee is authorized under section 75-6-231 of the Montana Code Annotated. This Advisory Committee advises DEQ and DNRC on policy decisions that arise in developing and implementing the Drinking Water State Revolving Fund, and it reviews the program's annual Intended Use Plan.

More information about the committee is available at:
