**Subject:** Resolution 3169

Glenda,

Would you please send me a copy of resolution 3169? *Done*

I think the commissioners should provide an update on the progress of the suit called for in order to collect the \$29,000.00. Seven months should have produced some progress on the matter. If they are unaware and have not been actively engaging the county attorney's office, then that warrants public scrutiny.

Regards,  
Chris
