RE: Appreciation for MHP Trooper Scott Bennett

Dear Ken;

I wanted to let you know how much Trooper Scott Bennett will be missed as a member of the Ravalli County DUI Task Force. Trooper Bennett provided the task force with **excellent oversight and participation** in our activities and budget. I could always count on his attendance, even on his days off, which is so appreciated.

As a citizen, I honor and appreciate his professional service to the State of Montana, and as the DUI Task Force Coordinator, I was honored to have him be a part of our Task Force.

Montana Highway Patrol should be very proud to have Trooper Bennett as part of their team and the DUI Task Force wishes him well as he moves into his promotion and new location.

Sincerely,

A handwritten signature in blue ink that reads "Glenda M. Wiles". The signature is fluid and cursive.

Glenda M. Wiles
Ravalli County DUI Task Force Coordinator
