Hello, my name is Antoinette Mancini I am 20 years old and have lived in the Bitterroot Valley with my family of several years. My parents and I opens a small business in Hamilton 2 years ago. We have heard talk of another big box store coming to the valley and as business owners and citizens we are concerned about the negative effects this will have on our small town community and local businesses. I understand that the city council has voted to not let another big box store in but they can't do anything about it outside of city limits. I am wondering what the county commissioners intend to do about this issue?
