Subject: Today's Meeting

Greetings Glenda,

I'm currently viewing the commissioners meeting online and would like to make a comment via email. I would like to make a recommendation to the board, if they choose to draft new regulations on the floodplain. I would like to recommend that the board move forward with a resolution to permanently ban any attempts to rip rap the banks of the Bitterroot River or it's tributaries by private land owners who own property in the floodplain. Thank you.
