County of Ravalli
Greg Chilcott, Commissioner
215 South 4th Street
Hamilton, Montana 59840

Dear Mr. Chilcott,

RECEIVED
FEB 03 2015
Ravalli County Commissioners

--	--	--	--	--

I am sending this letter to you in order to introduce J&H, Inc. and myself to you for any of your document management needs or solutions.

My name is Bill Moore, Document Management Consultant for J&H, Inc. It would be my pleasure to discuss and supply you information regarding an efficient document management solution for the County of Ravalli.

DocuWare is a user friendly; intuitive document management system which is simple to install, configure and integrate to your company's workflow. It is effortless in its administration and service while only requiring minimal user training. You will discover quickly that a document management system quickly improves efficiencies throughout your company while controlling costs as you grow.

DocuWare was established in 1988 to provide document management solutions to companies around the globe to any size company in any industry. J&H, Inc., has been aligned doing business as an authorized reseller of DocuWare for the past 16 years bringing successful solutions to companies in the US and Canada. J&H, Inc. is a Montana based company headquartered in Bozeman. We have been serving Montana (and beyond) for over 40 years.

Let's plan a Go to Meeting conference for 30 minutes where we can show you and other senior members of your company an overview of DocuWare including how it can apply to your accounts payable, customer service, compliance records, purchasing, quality assurance and other departments within your company.

We at J&H, Inc., pride ourselves in bringing cutting edge technology solutions to companies to increase efficiency while reducing costs. Let us share our expertise and information with you, so you can gain the knowledge to determine just how an efficient document management system can benefit for the County of Ravalli.

In closing, I will reach out to you in the near future to assist you in discovering how to convert your information from documents to value.

Respectfully,

Bill Moore
