Darby Fire District Board
Attn: Marc Snavelly, Fire Chief
PO Box 879
Darby, MT. 59829

Dear Chief Snavelly;

Please find the enclosed Resolution that annexes the Witt Property into the Darby Fire Department. During the public hearing(s) the Board of County Commissioners expressed concern for the weight limit of the bridge into the Witt Property, particularly if utilized by a fire truck or piece of auxiliary equipment that could be over the weight limit. They asked me to memorialize that concern in a letter to your department.

The Board understands the Witt's are placing a sign at the bridge showing bridge crossing is restricted to passenger vehicles only, and notification for emergency vehicles to use an alternate route. Thank you for your departments site visit with the Witt's to facilitate this sign placement.

If you have any questions please feel free to contact our office at the above number.

Sincerely,
