March 23, 2015

Montana Fish, Wildlife & Parks recently mailed you a copy of the Decision Notice for FWP's proposal to thin up to 400 acres of forest on its Threemile Wildlife Management Area (WMA) in Ravalli County. We neglected to add that we will ask the Fish & Wildlife Commission to render its decision on this proposal at its April 15th meeting in Billings.

Sincerely,

Sharon Rose
R2 Comments Coordinator
