Hello veteran service providers,

I am contacting you to request your consideration of the Joining Community Forces (JCF Missoula) free BBQ and music festival coming up on May 30th. This will be JCF's second annual "Heroes @ Home" BBQ and music festival. We are looking for service providers to offer important resources and information to veterans, service members, and their families attending the BBQ and music fest. We know you have important support to share and we would like to offer a free table in our Service Provider tent so you can make that support available to attendees.

If you have already heard of the Heroes @ Home event and have decided to participate, please reply by e-mail. And thank you for your commitment to help!

One last request, please consider printing and posting the Save the Date poster I have attached to this e-mail. The JCF Heroes @ Home BBQ and music festival will only be a success if we can reach as many veterans, service members, and their families as possible! Let’s spread the word and reach out to our heroes at home!

Thank you,

Tessa Heuermann
