Subject: Darby Library vote

Glenda,
Would you please pass this on to the commissioners? Thanks. C.

Commissioners:

Thank you for your vote on the Darby Library mill levy. I'm well aware that from a commissioner's point of view, a library's revenues is a small potatoes issue. The Darby Library is one of the finest public libraries I've been privileged to visit. It's truly Darby's crown jewel. I realize you're not well acquainted with the director, Wendy Campbell, but I can tell you as a patron and an employee, Wendy is an extremely dedicated librarian and she does the Darby community proud. Convincing the taxpayers to support the mill levy will now be up to the board of trustees and the people who want to see the library grow into its potential. Thank you for your support,
Carlotta Grandstaff
