Subject: Request for Public Presentation

Dear Mayor Steele,

Thank you for your letter dated June 16, 2015, requesting a presentation on Marcus Street, Hamilton's identified urban priority, and the process for advancing an Urban funded project. MDT will prepare a presentation to inform businesses of the process, the status of Marcus Street, and opportunities to accelerate project delivery. MDT staff will coordinate with Keith Smith, City of Hamilton Public Works Director, to schedule the presentation.

Please note MDT staff has been working with City of Hamilton Public Works on determining the feasibility of advancing the Marcus Street project as outlined in your March 26, 2014 letter. MDT reviews projects to assure it is affordable and eligible for STPU funds. A complete funding package must be in place to advance an Urban project. Implementation of the Marcus Street project is pending a complete funding package.

If you have any questions, please call me at 444-9240 or Sheila Ludlow at 444-9193.
