RAVALLI COUNTY COMMISSION
215 S 4TH STE A
HAMILTON MT 59840-2853

Subject: **2015-2019 Final Statewide Transportation Improvement Program**

The Project Analysis Bureau of the Montana Department of Transportation has published the final version of the 2015-2019 Statewide Transportation Improvement Program (STIP), a listing of transportation improvements planned for Montana for the next five federal fiscal years. This document has been approved by the Montana Transportation Commission and the Federal Highway Administration.

To view the final STIP on-line, go to www.mdt.mt.gov/pubinvolve/stip.shtml.

If you would like a hard copy, or if you have any questions or comments, feel free to contact me at 1-800-714-7296, (406)444-7259, or paujohnson@mt.gov.

Sincerely,

Paul Johnson
Project Analysis Manager
Rail, Transit and Planning Division

UNITED STATES DEPARTMENT OF AGRICULTURE
 OFFICE OF THE ASSISTANT SECRETARY
 FOR TECHNICAL ASSISTANCE

The first analysis of the Department of Agriculture's program for technical assistance to foreign countries was published in the Department of Agriculture's Yearbook for 1953. This yearbook contains a detailed description of the program and a list of the countries to which technical assistance has been provided. The Department of Agriculture's program for technical assistance to foreign countries is a part of the Department's broader program for international cooperation and development.

The Department of Agriculture's program for technical assistance to foreign countries is a part of the Department's broader program for international cooperation and development. This program is designed to help foreign countries improve their agricultural production and to increase their food and fiber supplies. The Department of Agriculture's program for technical assistance to foreign countries is a part of the Department's broader program for international cooperation and development.
