Como Boat Dock Removed for the Season

Hamilton, Montana (July 29, 2015) – The boat dock at Lake Como on the Darby Ranger District has been removed as the water level has dropped steadily in recent days. The swim lines near the beach area were removed last week.

This is several weeks earlier than normal and is due to our extremely low water this summer. Last year the boat dock was not removed until August 22nd.

Just a reminder that visitors still need a recreation pass at Lake Como. Day use fees and camping fees are charged from Memorial Day through Labor Day weekend. Passes are available at all Forest Service offices, area retailers including Mr. T's and People's Market in Darby and Angler's Roost, Lone Pine, Town Pump South, Bob Ward's and Riverside in Hamilton, and on-site at the recreation area. Day passes will not be required starting Tuesday, September 8.

For more information, contact the Darby Ranger District at (406) 821-3913. Stay in touch with us through www.facebook.com/DiscoverTheBitterroot and www.twitter.com/BitterrootNF.
