Ravalli County Commissioners

--	--	--	--	--

Dear Commissioners:

I am writing to introduce myself to you. My name is Leanne Marten, and I am the new Regional Forester for the Forest Service's Northern Region. As you likely know, the Northern Region covers public land management in the state of Montana, northern Idaho, North Dakota and parts of South Dakota.

Having the privilege of working here in the Northern Region, feels very much like coming home. I was born in Clarkston, Washington and spent several of my growing up years in parts of northern Idaho and Montana. Although I moved around and lived in many different parts of the U.S. (my Dad also worked for the Forest Service), I ended up back in this part of the country when I started college. I attended both Washington State University and the University of Idaho. While attending college, and after graduation, I worked in this Region; spending several years working on the Clearwater and Kootenai National Forests.

Since leaving the region I have spent time working on several forests in the Eastern Region of the Forest Service, time in the Southwestern Region and the last several years in Washington, D.C., where I most recently served as the Director of Ecosystem Management Coordination.

My first few months here have been spent getting settled in and starting to get caught up on the exciting things that are happening throughout the Northern Region, and most recently the fire season. As time allows, I would enjoy discussing our common interests and the opportunities we have to work together. If you would like to get together, via phone or in person, sometime in the future please contact Carol Moore at (406) 329-3315 or cjmoore@fs.fed.us. Carol would be happy to work with you to help coordinate our respective schedules.

Thank you for your consideration, and thank you for your interest in the mission of the U.S. Forest Service and the wonderful natural resources we have on our National Forests and Grasslands across the Northern Region.

Sincerely,

LEANNE M. MARTEN
Regional Forester

cc: Julie King, Forest Supervisor, Bitterroot NF
