The above chart shows the MACo Property & Casualty Trust Loss Control Credit criteria and points earned for the 2014-2015 policy year. The PCT Trustees approved the distribution of \$100,000 for loss control credits to be dispersed among the 48 member counties. The total loss control credit is based on an adjusted percentage of the liability loss fund assessment based on the allocation of \$100,000. Enclosed is your check based on the following calculations:

Liability Loss Fund Assessment	\$188,607
Adjusted Credit Percentage	2.82%
Total Loss Control Credit	\$5,311 <i>ck</i>

Thank you for participating in the MACo Risk Management Program. It is recommended that your check be used to enhance your county's safety and loss control efforts. Feel free to contact us with any questions.
