Subject: proposed motorsports facility.

To Whom It May Concern,

I am requesting a meeting with the commissioners regarding the proposed motorsports addition at the fairgrounds. The notifications for the meeting last night did not get out to residents in the surrounding neighborhoods as stated by Ran Pigman. Many taxpayers expenses were not addressed such as extra police, fire, paramedics, adequate or accurate noise representation. The impacts on our PTSD vets. The continual noise for the entire summer. This is not an annual event for a couple of days such as the fair, or the rodeo or the mud bog. This is every week, every weekend with added noise events. We need the ability of the City of Hamilton residents to have a fair input meeting with the commissioners. Thank you Neelna Conkel
