Commissioners,

It's come to my attention that Commissioner Burrows insulted one of our board members at an Oct. 20 public meeting regarding floodplain regulations by referring to her as a "hypocrite."

We do not ask for, nor do we expect, an apology, but we do expect you to treat taxpaying, voting citizens who take time out of their busy lives to attend and comment at public meetings with respect.

Please remember that you represent all the citizens of Ravalli County, not just the ones who voted for you.
