Subject: Urban Highway Program Priority - Marcus Street from US 93 to Freeze Lane/Big Corral Road

Dear Mr. Smith:

Thank you for your letter dated September 15, 2015 from City of Hamilton and Ravalli County Commission revising the scope of the Marcus Street project as Hamilton's Urban Funding priority. As outlined in your letter, it is now the intention of the City of Hamilton and Ravalli County to phase the improvements on Marcus Street with phase one including the limits from US 93 to Silverberry Street. MDT Statewide Urban Planning and Missoula District personnel will review the revised project scope and determine a cost estimate as part of the next steps.

If you have any questions about MDT's assistance, please call Vicki Crnich in the Statewide and Urban Planning Section at 406.444.7653. We look forward to working with you on this project.

Sincerely,

Carol Strizich
Supervisor
Statewide and Urban Planning Section
