Subject: fairgrounds racetrack

Dear commissioners, I would like to voice my total opposition to any kind of motorsports at the fairgrounds facility . There are so many reasons not to do this I cant count them all. I live in the Arbors area , if this were to happen it would lower property values, make homes virtually impossible to sell, cause more traffic etc not to mention the noise . I have nothing against a venue for racing , but this is not the place. They need to get a way from a populated area with long established quiet neighborhoods. Ask yourself if you would want this next to your house. I think not. Do not pass this, me and my neighbors are not going to just lay down and accept it. guaranteed.
