Hamilton, MT 59840

Dear Board of County Commissioners:

As per our discussion with Commissioner Burrows, the Valley Veterans Service Center's Board would appreciate it if you would grant our request to extend the termination date of the VVSC's current agreement with the County until January 31, 2016. The VVSC Board is confident that the additional time requested will enable the VVSC and the County to come to a new agreement concerning the Veterans Service Officer. The Board appreciates the County's willingness to work with us, as we both strive to meet the needs of the veterans of Ravalli County.

Sincerely,

TIMOTHY S. PETERSON, President
