Montana Department of Transportation Proposes Project to Construct Multi-Use Path and Provide Lighting Along Fairgrounds Road

HAMILTON - The Montana Department of Transportation (MDT) would like to notify the public and seek comments on a proposal to construct an Americans with Disabilities Act (ADA) compliant multi-use path and provide path lighting along Fairgrounds Road in Hamilton. The project begins at the intersection of Old Corvallis Road and runs east to the intersection of Kurtz Lane.

Proposed work includes construction of a new ADA-compliant multi-use path on the south side of Fairgrounds Road between Old Corvallis Road and North Daly Avenue as well as path lighting between Old Corvallis Road and Kurtz Lane. The purpose of the project is to extend the existing multi-use path and to provide lighting.

Construction is tentatively planned for fall 2018 depending on completion of design and availability of funds. The project will be funded jointly from Federal Highway Administration Transportation funds and City of Hamilton local match. No new right-of-way will be needed.

For more information, please contact Missoula District Administrator Ed Toavs at (406) 523-5802 or Project Design Engineer Terry Voeller at (406) 444-9457. Members of the public may submit written comments to the Montana Department of Transportation Missoula office at P.O. Box 7039, Missoula, MT 59807-7039, or online at:
