**Grant Closeout Date: 04/17/2017**  
**Grant Review Case Number: ANM-17-2039**  
**Final grant amount: \$297,000**

Dear Chairman Chilcott:

This notice of grant closeout is based on the following conditions having been met: (1) all work included in the project description has been satisfactorily completed, (2) there are no outstanding grant special conditions, (3) all project costs reimbursed by FAA under this grant have been determined to be reasonable, eligible and allowable, and (4) the sponsor has complied with all terms and conditions of the grant agreement.

Final payment has been made and all administrative requirements are satisfied. A final cost review of the grant has been completed and the final costs were determined to be reasonable and justified. There are no differences in the amount of funds requested by the sponsor and the amounts paid out. If an audit reveals any issues, this grant will be re-opened until the outstanding issues have been resolved.

Please be advised that in accordance with 2 CFR 200.333, you are required to retain all supporting project documentation for a minimum period of three years from the date of the final request for reimbursement. Because most grant obligations extend beyond three years, we strongly encourage you to retain grant documentation for the life of the grant obligations.

Sincerely,

Joe Nye, Acting Manager
