RE: removal of abandon junk vehicle

I own 200 acres, tax no. 1201940 in Ravalli County in which a 2001 wrecked Ford has been abandon upon. I applied with the Ravalli County Enviromental Health Dept to have this vehicle removed in October 2016. Today I was told by the Enviromental Health dept that Ravalli County does not have towing contractor and that I should contact the County Commissioners to have the vehicle removed.

I request that one of the five of you please contact me at the above phone or email to discuss payment for having this vehicle removed.

I appreciate your time in this matter.

Jim Davis
