Dear Chairman Hawk,

RE: Application for Treasure State Endowment Program 2019 Biennium funding

On May 8, 2017, Governor Bullock signed into law House Bill (HB) 11, which appropriates funds for the Treasure State Endowment Program (TSEP) for the 2019 Biennium. HB 11 provides \$19,672,151 in project grant funds for infrastructure and bridge projects, \$900,000 for infrastructure planning grants and \$100,000 in emergency project funding for the 2019 Biennium. Unfortunately, your project was not included for funding in HB 11. The successful grantees and their respective award amounts are shown on the attached list.

Department staff is available to assist you in reapplying to TSEP for 2021 biennium funding or assisting you with moving your project forward with other potential resources. By reviewing your scoring with staff, you can identify areas that can be strengthened in the next application. The new application and guidelines for the 2021 biennium infrastructure grant cycle will be available in the fall of 2017, and applications will be accepted in spring of 2018. If you need to conduct additional project planning before then, infrastructure planning grants will become available in the next few months. Please be sure to check your e-mail and the TSEP website, <http://comdev.mt.gov/programs/TSEP>, for updates, or contact Becky Anseth, TSEP Program Manager, at 406-841-2770 or DOCTSEP@mt.gov.

I know that your application represented many hours of hard work, and the Department is committed to helping you solve your community's infrastructure needs.

Sincerely,

Jennifer H. Olson, Administrator
Community Development Division
Department of Commerce

ecc: Donald Ramer, Project Engineer, Professional Consultants Inc.
