Dear Ms. Anderson,

For the past seven years, the City of Hamilton has sponsored a Fourth of July fireworks display at the Ravalli County Fairgrounds that benefits both city and county residents. Steve Boshae has been the pyrotechnician for each of these shows and has provided the required insurance.

Entities using the Fairgrounds must now provide a "Waiver of Subrogation" as part of the insurance requirements. We recently discovered this addition and are finding it difficult, if not impossible, to secure the Waiver. Our City Attorney spoke with our carrier (Montana Municipal Interlocal Authority), and by the terms of our coverage they will not prove a "Waiver of Subrogation". Mr. Boshae's insurance is provided through Northwest Display Fireworks and Pyromania LLC, which provides insurance for many fireworks providers and displays. It would be cost prohibitive for Mr. Boshae to secure the Waiver since the insurance company would need to provide it for all of their insureds, not just Mr. Boshae.

We are requesting a waiver from the "Waiver of Subrogation" requirement. As it is too late to secure an alternate location, the fireworks display would have to be cancelled if required to provide a "Waiver of Subrogation" to use the Ravalli County Fairgrounds.

Thank you for considering our request.

Sincerely,

Jerry E. Steele
Mayor
