To: Dixie Stark, Members of the Darby Volunteer Fire Department, and the Town of Darby

The Ravalli County Board of County Commissioners would like to take a moment to acknowledge the many years of service and dedication to community rendered by Mike Stark. Mike's eighteen years of service with the Darby Volunteer Fire Department as well as his many years as an educator in the Darby Schools served as an inspiration to many.

In his multiple capacities with the DVFD, Mike was truly a valuable member of the emergency services community in Ravalli County. His devotion to the Town of Darby and the Bitterroot Valley and his spirit of volunteerism over the years are just a part of the fine legacy Mike leaves behind.

The list of his contributions to the community is long, and the list of lives he impacted is longer still. We know that Mike's passing leaves a hole, but his example will live on.

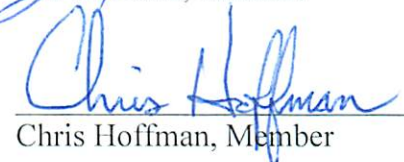

With deepest respect,
