Dear Susan:

The Ravalli County Board of Commissioners apologizes for the tardiness of this letter, but wants to express its deepest condolences to you for your loss. We would also like to acknowledge Peter's extraordinary contributions to our community, especially recognizing his efforts in MAPS program. This program has influenced hundreds, if not thousands of students, not only in Ravalli County, but across the state. The value of Peter's work with our youth is incalculable and his impact on the many lives he touched will pay dividends long into the future. For many, new courses were charted, dreams were reinvigorated, talent was uncovered and enthusiasm for the future was born.

Peter's energy and enthusiasm was contagious, and his desire to learn was clearly a lifelong passion. He will be missed by all who crossed his path, here in the Bitterroot, just as surely as he will be by those who knew him throughout his entire life. We wish you the best and our thoughts and prayers are with you.

Sincerely,
Ravalli County Board of Commissioners
