**How Walk-able is your
Community?**

Dear Ravalli County,

We've come up with a short survey that will help us understand what issues you are facing when it comes to walk-ability in your community. Do you have a few minutes to spare?

Thank you so much for your participation. Providing your opinion helps us advocate for safer and more accessible places for you to walk. Please feel free to share the survey link with anyone you may think would be willing to participate as well.

As always, thank you so much for your support.
