

County Commissioners -

We wanted to Thank You for allowing us to use the First Interstate Building @ the Fairgrounds for no expense for the Battle with Blaine Benefit we held for one of our 5th graders here @ Daly. We are so EXTREMELY grateful!

At first we thought the space was going to be too big, however that night, we had to pull out every table and chair and it was still standing room only!

This is such an AMAZING community to call home. The love and support this family received from the businesses and community members was unbelievable! We raised nearly \$25,000 for this family!

Again, THANK YOU!

June 'Daly Staff ☺

I want to take the time to sincerely thank you for your donation during our time of need. Your love and support has truly been helpful in keeping me and my children strong during this trial in Blaine's life. We have been blessed to have you in our lives. Thank you again for your kindness!

Love, Amie, Blaine and Kendra
