You are receiving this email because you inquired about or purchased a vehicle from Yellowstone Country Motors recently or in the past. If you prefer not to receive further emails from us, [click here to unsubscribe](#).

Dear Commissioners

When you have a need for new or used vehicles, keep Yellowstone Country Motors in mind. . As Government Sales Manager for Yellowstone Country Motors in Livingston, I can provide you with a very competitive bid or quote. You can also “piggyback” on the state vehicle bid program. Using the state bid, you can have a new vehicle for the price of a used vehicle. The state bid process is easy since the state has done all the bidding for you. And you can select the options to fit the needs of your county department.

Yellowstone Country can provide vehicles to meet the needs of every County department. This includes the AWD Charger, SSV Ram Pickups or SSV Durango’s designed for law enforcement. In addition to the AWD system. One of the unique features of the Dodge Charger is the officer protection system. This unique system uses the cameras in the bumper to alert the officer of anyone attempting to sneak up behind the vehicle while the vehicle is in park. Chrysler Corporation is dedicated to producing a quality vehicle for law enforcement. Dodge has published a brochure detailing all law enforcement vehicles at <https://www.fcausfleet.com/law-enforcement-vehicles.html>

If your road department needs vehicles, we can supply you with new Dodge Ram pickups at greatly discounted rate. Using bid prices, the price of a ¾ Ton Ram regular cab with power windows, air conditioning, towing package and automatic transmission can be purchased for **\$26,103**. The government concession on all new vehicles allows local governments to purchase new for the price of a used vehicle. Your County can have a factory warranty that comes with a new vehicle.

In addition, we can supply you with mini-vans for senior transportation in the low 20 thousand range depending on options. These vans make great vehicles for all types of transportation needs including county staff.

Here is a very excellent employee benefit for your emergency responders that you may wish to pass along to your Sheriff or fire chief. The following is taken from the Dodge dealer website.

Constables, State game wardens, law enforcement, volunteer fire fighters, etc. are eligible for Government Concessions if the following information is documented:

? Police/Fire ID badge number

? Notarized letter from agency head (Chief/Sheriff, etc.) authorizing said individual(s) to purchase vehicle for emergency (police/fire) response related to their official duties.

If you have any questions, feel free to call me at 406-223-1302 or email at marty@ycminc.com
