Enclosed is your listing of the **first quarter** video gambling license fee distribution. Your check was electronically deposited to your account. This distribution is your share of the total license fees collected for your city or county jurisdiction. This distribution is in compliance with Section 23-5-612, Montana Code Annotated.

Effective July 1, 1991, machine permit fees were prorated on a quarterly basis; listed below is the table for permit fees which will be distributed to each jurisdiction.

\$100 for permits effective July 1 through June 30
\$75 for permits effective October 1 through June 30
\$50 for permits effective January 1 through June 30
\$25 for permits effective April 1 through June 30

Please carefully check your breakdown listing and notify me if you should find any errors.
This allows all local governments to receive the correct distribution payment.
