Subject: Clarification: I will not sue about Menorah

I understand my position and role in this matter became a subject in the recent discussions. Just so there is NO mistake about this, I personally intend to await the Council's deliberative process to fully and thoroughly decide whether there should be a public display of a menorah next year. On this issue, I have no intention to resort to legal process of any sort. In its collective wisdom, I know that the Council will make a good and just decision consistent with all principles on this important matter. Please send me a copy of the new policy when it is available. Hanukkah begins at sunset Sunday, December 2, 2018 and ends at nightfall Monday, December 10, 2018. I anticipate a timely decision for 2018.

Best Holiday wishes,
