County Commissioners, Treasurers, Clerk and Recorders, School Superintendents and Road Supervisors,

Please see the email below regarding the FFY 2017 25% payments—the payments should be reaching you in the next week or two. We have also attached our spreadsheet that includes a tab (“Fund Distribution Worksheet”) to assist you in calculating the split required between the county road fund and the county-wide education levies. Just enter the amount you received in the green cell, then enter the number of mills levied in your county for countywide transportation, elementary retirement, and high school retirement funds this year in the blue cells. The spreadsheet will do the rest.

**Please DO NOT use any of the prior years’ spreadsheets to calculate the current year’s split. Use the attached spreadsheet.**

Dear Treasurer,

**Subject:** The USDA Forest Service 25% Payments to States were processed in our financial system today.

Please see the enclosed reports for the payment amounts processed. The 1908 Payments to States Act designates that the 25% payment must be used for roads and schools. You may also find the enclosed reports helpful in your distribution of payment to the Counties.

The electronic funds transfer (EFT) will be credited to the financial institution and account designated by the State via the DUNS registration in the System for Award Management (SAM) for that purpose.

The EFT payment may take up to 3-5 business days to reach the designated financial institution.

**SUBJECT:** FFY 2017 Federal Forest Reserve Payment

**CC:** Ralph Franklin, Ryan Evans, Harold Blattie, Mark Bruno, Chuck Richardson, Eric Bryson

Our office distributed Federal Forest Reserve funds to the counties on Wednesday February 21, 2018, according to the attached schedule (Excel) accompanying this memo. These funds are received from the Department of Agriculture, Forest Service (PDF's) and are associated with CFDA # 10.665 (Schools and Roads – Grants to States).

The Secure Rural Schools (SRS) payment authority expired on September 30, 2016. Because the SRS Act has not been reauthorized, the 1908 Act, commonly called the 25 percent payments, will govern the distribution of payments to States.

The funds should be allocated in accordance with MCA 17-3-213 (2) ( <http://leg.mt.gov/bills/mca/17/3/17-3-213.htm> ). This allocation is 66 2/3% to the general road fund and 33 1/3% to the countywide school levies. The Montana Association of Counties (MACo) website contains the fund distribution worksheet for FFY 2017. It is located under the Resources tab.

Please **submit a copy of your A101 form by April 1, 2018** to the Director's Office of Finance & Budget. Electronically to [lcarroll@mt.gov](mailto:lcarroll@mt.gov) is preferred, however, if you do not have the capability to send PDF files you can still mail them in to the address listed above, attention Lori Carroll (contact information: 406- 444-3821)

**Please note: To comply with the Single Audit Act regarding monitoring of subrecipients of federal grants, the Department of Administration will be requesting additional documentation throughout the year regarding the use of the Federal Forest Reserve funds distributed. You will be notified, and additional instructions will be given at that time.**

Thank you.
