Dear Commissioners Burrows, Chilcott, Foss, Iman and Stoltz,

Please list the 2013 accomplishments that you are proud of as individual commissioners as well as your goals for 2014 as individual commissioners for the people of Ravalli county to see. Chairman (2013) Burrows, please list 2013 Board of Commissioners collective accomplishments during your tenure.

My request for 2012 accomplishments went without response from all commissioners. See below or here: <http://www.rc13.mt.gov/commissioners/correspondence/2012/12%20December/12-21%20Chris%20Hockman%20re%20BOC%20accomplishments.pdf>

I continue to believe the public would find value in reading your list of accomplishments, especially this year in which three of you are seeking re-election.

Sincerely,
Chris Hockman
Hamilton
