Anon Female – BCC should get the three employees back in the Treasurer’s Office that quit.....and Valerie Stamey should resign.

Stacy Kilpatrick – might be new to area but not new to politics – Shame on the Commissioners for appointing someone who was part of their Republican cronies instead of someone who was qualified.

J. Greenfeld – I can’t believe what I am reading about the inept Treasurer – and really can’t believe the Commissioners are doing nothing – oh except collecting a pay check and leaving early.....I came to see you all the other day – not a soul there except your secretary. Shame on you.

Anon male – how much money is missing in investment earnings because they are in the Treasurer’s desk drawer?

John Schuler – of Fred Burr Road in Victor – having a hard time getting the Treasurer’s Office to answer their phones – they keep putting the wrong address on my prop tax bills and mtr vehicle renewals – I had advised them a couple of times to make the corrections. Glenda to have someone call him directly 961-5515.

Grace Arquette (Sp) What are the BCC thinking – you appoint someone who is not qualified to be a Treasurer? Do something with her now.

William Pease of Missoula County – you should check with previous employer – why did Stamey or her other alias’ leave their employment. Did she take some of the checks with her?

Anon male – regarding the unprofessional, untrained new treasurer – where there is smoke there is fire.....you need an audit and get rid of her.
