**To:** Glenda Wiles  
**Subject:** Another MAPS honor

Glenda (for u and the Commissioners) - MAPS was invited to apply for The Department of Education's first virtual science, technology, engineering, and math (STEM) Showcase. This is cool for many reasons one of which is: there are 9,000 organizations/schools nationwide and only 15 were invited. And MAPS was one of them!!!

Made in Montana? U betcha. ☺

Peter
