Dick Pettit – lives near Florence. Check the property taxes and motor veh registrations that Stamey or her alias's just paid – why not be current on them? What else is she not current on personally and at the county?

Paula Cliff (Clifford)? Where is my tax money going – in a desk or in the county Treasurer? Fire her before she does more damage.

Anon male and female – are you kidding us? What are the BCC doing with the Treasurer – sounds like nothing but we will all end up paying for it.

Marian Klegg (Sp) – what a soap opera – might be funny but not with my tax dollars. Get rid of her (Treasurer) now.
