Subject: Website Email - Treasurer

Good Morning,

After months of hearing about the lack of a competent treasurer, people in the treasurer's office having to train their boss and the rash of people quitting as a result of lack of support, and now the heightened awareness brought on by local TV news items; Ravalli County has to be a laughing stock of the state. I don't know of any employer that would allow this employee to stay in a position that is obviously out of her element and clearly not qualified. It is time to replace Ms. Stamey with someone that can do the job, I don't pay my taxes to pay for this lack of service.

Thank you,
Mark
