If your community or your client is planning a water, wastewater, or solid waste infrastructure project, plan to attend this important one-day workshop being held at the Best Western Heritage Inn in Great Falls on Wednesday, February 19, 2014. Registration is not required, and there is no cost. Representatives from each of the major infrastructure funding programs in Montana will discuss their programs and be available to answer questions. Remember that the next round of funding competitions for the Renewable Resource and the Treasure State Endowment Programs begins this spring.
