Commissioner Chilcott, As chairperson of the RCC board. I urge you to Keep Ms Stamey out the the treasurers office ASAP, first thing 22 Jan 2014. Your commission hired her, she walked out of a meeting you five had requested without an update on the office. If an employee of mine pulled this Stunt they would be Fired immediately. She Walked Off the Job.This drama is a bad use of MY and every other taxpayer of this county tax dollars. DO YOUR JOB. Yes I am P-Od, like the majority of other citizens watching this Circus. KEEP this person OUT of the Treasurers Office. At this point she cannot serve the position she was hired to do. It is my opinion She can only create havoc and chaos. Respectfully,a 35 year taxpayer of Ravalli County,Mark Behrman
