V2 (Ford Police SUV) was parked on the SB shoulder of US-93 at approximately m 34.4 with its emergency lights activated. Driver (Mykhaylyuk) was finishing a traffic stop and was preparing to exit his vehicle to return the violator's information.

V1 (Silverado) was traveling SB on US-93 at approximately m 34.4 approaching V2 from behind. Driver of V1 (Huckstadi) advised he saw V2 stopped with its emergency lights on and assumed the Deputy was on a traffic stop.

He advised he normally travels at about 55mph and slowed his speed as he approached V2. Huckstadi advised there was a NB vehicle approaching that prevented him from moving V1 into the opposing lane. He advised he thought he could "squeeze" past V2 in the SB lane.

V1 struck V2 in the driver side mirror with its passenger side mirror, causing damage to both vehicle's mirrors. V1's passenger side running board struck the driver side front wheel of V2, causing minor damage to V1's running board and disabling undercarriage damage to V2.

Mykhaylyuk advised he was sitting in V2 with the transmission in park, preparing to exit and return the violator's information. He advised he saw V1 in his driver side mirror approaching from behind. He advised V1 wasn't moving over and decided to wait in his vehicle for V1 to pass. Mykhaylyuk advised there appeared to be a vehicle traveling NB towards him but the vehicle was a ways off.

Huckstadi advised he should have stopped his vehicle and waited for the NB lane to clear before passing V2.

<p>On 10/27/18 at approximately 0522 hours, I (Deputy Mykhaylyuk) was conducting a traffic stop on Highway 93 southbound, approximately 1 mile south of Lake Como Road. As I was sitting in my patrol vehicle after my initial approach to the violator vehicle, I noticed a vehicle southbound behind me. I decided I would wait for the vehicle to pass before making my second approach on the violator vehicle. As I was watching the vehicle approaching me in my driver's side mirror, I noticed he was not moving over or slowing. Shortly after I heard a crashing sound, my patrol vehicle rocked, and my spotlight was moved. I immediately notified dispatch that I was sideswiped. I observed the suspect vehicle stopped a short distance ahead. I re approached the violator vehicle and returned the paperwork to the driver, who then left. I observed the suspect vehicle, bearing Montana license plate "OLDWEST"</p>

reverse to the front of my vehicle. The driver later identified himself as Gene Huckstadt. I asked Gene if he needed medical attention, he declined. I asked Gene if there was anyone else in the vehicle with him, he said there was not.

Shortly after, Deputy Richardson and Sergeant Weston arrived on scene. Sergeant Weston confirmed that neither myself or Gene needed medical attention. MHP Trooper Gane was responding to the crash. Rick's Towing was en route for my patrol vehicle as it was unable to steer after the impact. While waiting for the tow truck and MHP, I assisted Deputy Richardson with traffic control. My patrol vehicle was taken to Rick's Towing storage facility.

On October 27, 2018, at approximately 0525 hours, Deputy Mykhaylyuk advised dispatch he was just sideswiped by another vehicle. I, Sgt. Bradley Weston, was aware Deputy Mykhaylyuk was on a traffic stop on US Highway 93 and at approximately mile post 34. Deputy Mykhaylyuk advised dispatch all parties involved in the crash were not injured.

Upon my arrival, I observed Deputy Mykhaylyuk patrol vehicle facing south bound on US Highway 93 with all of its emergency lights activated. In front of Deputy Mykhaylyuk patrol vehicle was a black Chevrolet truck bearing Montana personalized license plate "Oldwest." I ensured Deputy Mykhaylyuk and the driver of the other vehicle, who was identified by his valid Montana driver's license as Gene Huckstadt was not injured.

Deputy Mykhaylyuk had damage to his driver's side mirror. Deputy Mykhaylyuk patrol vehicle had damage to the driver's side quarter panel and had no steering capabilities. The damage to Huckstadt's vehicle was to the passenger side mirror and some scrape marks on the passenger side bumper and fender. I took photographs of the damage to both vehicles and the photographs have been uploaded to the RCSO sever.

Deputy Mykhaylyuk told me while he was sitting in his patrol car after his initially approach he observed a vehicle approaching his patrol car from the north. Deputy Mykhaylyuk added this vehicle was not moving over or slowing down. Deputy Mykhaylyuk said he decided to let the suspect vehicle pass before he re-approached original violator. Deputy Mykhaylyuk added the suspect vehicle struck the driver's side of his patrol car.

Montana Highway Patrol Trooper Adam Gane responded and conducted the crash investigation. Trooper Gane cited Huckstadt for careless driving. A copy of Trooper Gane's accident report is attached to his report.

I made phone contact with Lt. Moles and advised him of the situation. LT. Moles determined a rotational wrecker out of Hamilton would be best for this situation. Rick's Autobody responded and towed Deputy Mykhaylyuk patrol vehicle to their tow yard.
