RAVALLI COUNTY COMMISSIONERS :

Thank you for taking action today to start correcting the mess in the Treasurers' office. However, I am appalled that you would continue to waste our tax dollars to pay the current treasurer who clearly has not done the job.

I am requesting you immediately follow Montana Code 7-6-2113, and levy the \$500 sum for each failure to file legally required reports on time. The law says you shall institute suits for recovery of the sum.

Please follow the law.

Thank you.

Kirk Thompson
