**Subject:** MCA 7 - 612, becomes clarified

By 7-6-2113  
Which in turn becomes clarified  
By 7-26-2113 a  
With employment of the word MUST

IN OTHER WORDS  
THIS IS WHAT THE COMMISSIONERS  
MUST DO!

Well, well,  
Perhaps the words used to publicly state the Subject of the 2PM meeting this snowy day

Were not the intended words!

But if so why not removed?

IMO CURRENT LANGUAGE WILL NOT INCREASE TRUST OF COUNTY COMMISSIONERS AND  
COUNSEL!

CURRENT LANGUAGE ON YOUR SITE  
IS IN EFFECT BY INTENT OR NOT  
A VERY GROSS ALSO FALSE  
REPRESENTATION OF MONTANA LAW

SO EASY TO FIX THE LANGUAGE!  
Relax. Tell it like it is.  
Follow the law and stuff will become much less complex!

Yes you are burdened by complexity,  
But more and more,  
Day by day,  
You may be realizing  
How much of the complex stuff  
Would never never have happened

If you voted w the Law and appointed a Qualified Treasurer!

Yup, follow the Law.  
Put away desire to subvert the Law!

Sincerely,

Bob Williams
