Subject: Ravalli County Recycling Grant

Commissioners,

I wanted to update you on the status of the Recycling Grant for the Ravalli County Hub and Spoke project. The contract is currently under legal review and should be mailed out within a week or two. I apologize for the delay, with the holiday schedule this contract took some time to go through the process. The award funds are still committed to this project.

I will notify you once it is in the mail. Feel free to contact me with any questions.
