Subject: County Coordination

To The Honorable Commissioners of Ravalli County Montana

I fully support you in your efforts to fight back against the wolf that the Federal Government has forced upon your citizens. I hope and pray that my home county in Utah will have the same intestinal fortitude when the time comes. Nobody understands the needs of the community better than the LOCAL government. Being from out of state I will leave my comments at that.

Thank you for standing up for your citizens and the Constitution.

Bryan Ward
Tremonton Utah.
