Please listen to the advice that the Montana Sportsman for Fish and Wildlife is recommending for future Bear , Wolf and Lion hunting in this county. Every year I see fewer and fewer animals in this part of Montana and we need to do something about it Now. I have bought and elk tag for the last 10 years and am thinking about NOT buying one this coming season. think of what this kind of action among the thousands of hunters in this state will have on the funding of our wildlife programs in the future. Thank You. Mike Pasztor, PO Box 7732 , Helena MT.
